- Won air-to-water generator orders from MES and the Indian Coast Guard, including the Andaman & Nicobar Islands HQ, and an INR 60 lakh (~USD 63,000) work order from RCI (DRDO) Aerogenics
- Led an INR 3.5 crore (~USD 0.37 million) biometric attendance system for NALCO at major mining sites HCL Infosystems, 2011–13
- Delivered INR 7 crore (~USD 0.74 million) of solar projects for Telangana jails and petrol bunks ahead of benchmarks Windstream Energy, 2023–25
- Deployed INR 60 lakh (~USD 63,000) of surveillance systems for Apollo Hospitals, Odisha HCL Infosystems, 2013–15
- Built and demonstrated Indian-made AI robots for healthcare and policing Serum AI Robotics, 2025–26
- Named National No. 1 Channel Sales Manager for selling 75 multifunction photocopiers worth INR 45 lakh (~USD 47,000) in 3 months Godrej & Boyce

PROFESSIONAL EXPERIENCE

Serum AI Robotics Pvt Ltd (start-up), Hyderabad, India **Apr 2025 – Present**
Business Development Strategist

- Lead go-to-market and technology partnerships for Indian-made AI humanoid robots, conversational chatbots and drone solutions for police, defence, healthcare, government and education customers.
- Lead a team of 3 sales executives and 4 channel partners, with quarterly handholding and product training to keep them competitive and well versed in the products.
- Structured pilot commercialisation plans covering pricing, positioning and partner roles for elder-care and school-learning robots, with an engineering college and a software firm.
- Position solutions across B2G, B2B and B2C models on SaaS and Robotics-as-a-Service (RaaS) platforms.

Windstream Energy Technologies India Pvt Ltd (start-up), Hyderabad, India **Sep 2023 – Mar 2025**
Head of Business Development, India

- Drove the turnover growth above by identifying deeper pockets in the defence segment and opening new segments, while the existing team sustained its base of about INR 3 crore.
- Opened new defence and corporate accounts and retained top strategic clients across India.

- Managed an internal team of 5 sales executives and dealer teams of three each across the North, South, J&K and Central Command (Bareilly) regions, with quarterly handholding and training to keep them competitive and well versed in product knowledge.
- Owned the full GeM bid lifecycle, from specification analysis and technical-commercial submission to negotiation and order fulfilment, raising the bid win rate.
- Delivered vertical wind–solar hybrid and solar projects for defence, state-government and corporate customers, including L&T, IOCL, NMDC, Railways and telecom operators.

Aerogenics India Pvt Ltd, Hyderabad, India **Jan 2016 – Aug 2023**
Sales and Operations Manager

- Won defence clients for counter-surveillance systems, including a significant order from the Centre for High Energy Systems and Sciences (CHESS), a DRDO laboratory.
- Built OEM and system-integrator alliances that won competitive government and smart-city tenders.
- Owned bid documentation, key-account management and logistics for high-value government programmes.
- Directed Smart City ICT and e-Governance roll-outs in Chhattisgarh and Shivamogga, from bid stage through delivery and handover.
- Led an internal team of 6 sales executives, coaching them through quarterly product and competition-handling training.
- Exceeded sales targets in defence, public-sector and corporate segments.

HCL Infosystems Ltd, Bhubaneswar, India **Feb 2011 – Dec 2015**
Regional Sales Manager (Odisha, Chhattisgarh, Jharkhand, Andhra Pradesh, Telangana)

- Led the ICT security, surveillance and access-control business for government and corporate clients across five states.
- Managed an internal team of two executives in each state (ten in total) and two service-support channel partners per state (ten in total), with quarterly handholding and product training.
- Negotiated and executed major government and corporate deals, including the NALCO and Apollo Hospitals projects, and grew regional market share through channel partnerships.

Tulip Telecom Ltd, Hyderabad, India **May 2004 – Jan 2011**
Senior Marketing Manager, Government Vertical

- Delivered large-scale MPLS VPN and managed network services to state and central government bodies.
- Led the full sales cycle from opportunity identification and solution design to contract closure and service delivery.
- Established anchor government accounts that became long-term partnerships and a stable source of recurring revenue.
- Worked across technical, finance and operations teams so that commitments made at bid stage were delivered.

EARLIER CAREER

Godrej & Boyce Mfg. Co. Ltd, Hyderabad, India **Jun 1998 – Apr 2004**
Channel Consultant

- Built and managed a network of ten channel partners across Telangana and Rayalaseema for multifunction photocopiers, with quarterly training on products and competition, ranking among the nation's top performers.
- Spent six months in Dammam, Saudi Arabia, promoting Rex-Rotary copiers, gaining first-hand GCC market exposure.

Linkwell Electronics Ltd, Visakhapatnam, India **Mar 1992 – May 1998**
Territory Manager

- Began career in office automation, pioneering a market strategy for aqua-farming firms and delivering customised home and office automation solutions.

EDUCATION & CERTIFICATIONS

- MBA, Marketing Management, Andhra University
- B. Com, Cost Accounting, Andhra University
- Solar PV Plant Certified Pre-Sales, Steinbeis University, Germany
- ISO 9001 QMS Internal Auditor (trained 2004, 2024)
