MADHU VADDI

Head of Business Development & Strategic Alliances

Government, Defence & Corporate Sales | OEM, SI & Channel | Renewable Energy · Surveillance · AI Robotics
Hyderabad, India (open to relocating to the UAE) | +91-8106882925 | madhu23vaddi@outlook.com
linkedin.com/in/madhu-vaddi | madhu-vaddi.netlify.app

PROFESSIONAL SUMMARY

Business development and strategic alliances leader with 30+ years of experience winning government, defence and corporate orders across ICT and surveillance, renewable energy and AI robotics. Proven in turning complex, multi-stakeholder tenders into signed orders, building OEM, system-integrator and channel partnerships, and carrying new technology from pilot to revenue. Currently commercialising Indian-made AI humanoid robots for healthcare, police and education customers. Open to relocating to the UAE for senior business development and strategic alliances roles.

CORE COMPETENCIES

Business Development: B2G and enterprise sales, government and defence procurement, tender and bid management (GeM, CPPP, RFP/RFQ, reverse auctions), key-account management, long multi-stakeholder sales cycles

Alliances & Channels: OEM and system-integrator partnerships, channel-partner onboarding and management, go-to-market planning, distributor and dealer networks

Sectors: defence and surveillance, smart-city ICT and e-governance, hybrid wind–solar energy, AI robotics, drones, thermal imaging and optics, IoT and office automation

Commercial & Leadership: contract negotiation, PPA and EPC contract negotiation, hybrid renewable portfolios, feasibility studies, ROI optimisation, regulatory navigation, team building, cross-functional leadership

Quality & Systems: ISO 9001 QMS internal auditing, SAP SD, SaaS and RaaS platforms, MS Office, AI productivity tools

CAREER HIGHLIGHTS

- Secured INR 16 crore (~USD 1.68 million) in Indian defence procurement (DPP) orders for vertical wind–solar hybrid systems | Windstream Energy, 2024–25
- Delivered INR 7 crore (~USD 0.74 million) of solar projects for Telangana jails and petrol bunks ahead of benchmarks, and grew the renewable-energy portfolio by INR 6 crore+ (~USD 0.63 million) | Windstream Energy, 2023–25
- Built and demonstrated Indian-made AI robots for healthcare and policing | Serum AI Robotics, 2025–26
- Led an INR 3.5 crore (~USD 0.37 million) biometric attendance system for NALCO at major mining sites | HCL Infosystems, 2011–13
- Deployed INR 60 lakh (~USD 63,000) of surveillance systems for Apollo Hospitals, Odisha | HCL Infosystems, 2013–15
- Won air-to-water generator orders from MES and the Indian Coast Guard, including the Andaman & Nicobar Islands HQ, and an INR 60 lakh (~USD 63,000) work order from RCI (DRDO) | Aerogenics
- Named National No. 1 Channel Sales Manager for selling 75 multifunction photocopiers in 3 months | Godrej & Boyce

PROFESSIONAL EXPERIENCE

Serum AI Robotics Pvt Ltd, Hyderabad, India **Apr 2025 – Present**
Business Development Strategist

- Lead go-to-market and technology partnerships for Indian-made AI humanoid robots, conversational chatbots and drone solutions under the Make in India initiative.
- Target healthcare, police, defence, government and education customers with automation that improves citizen engagement and operational efficiency, through B2G, B2B and B2C models on SaaS and Robotics-as-a-Service (RaaS) platforms.
- Structured pilot commercialisation plans covering pricing, positioning and partner roles for elder-care and school-learning robots, working with an engineering college and a software firm.
- Drive growth initiatives in industrial robotics, hybrid wind–solar energy and sodium-battery solutions.

Windstream Energy Technologies India Pvt Ltd, Hyderabad, India **Sep 2023 – Mar 2025**
Head of Business Development, India

- Opened new defence and corporate accounts and retained top strategic clients nationwide.
- Owned the full GeM bid lifecycle, from specification analysis and technical-commercial submission to negotiation and order fulfilment, raising the bid win rate.
- Onboarded and managed ten channel partners across India, aligning supply, logistics and service delivery with customer commitments.
- Delivered vertical wind–solar hybrid and solar projects for defence, state-government and corporate customers, including L&T, IOCL, NMDC, Railways and telecom operators.

Aerogenics India Pvt Ltd, Hyderabad, India **Jan 2016 – Aug 2023**
Sales and Operations Manager

- Exceeded sales targets in defence, public-sector and corporate segments.
- Directed Smart City ICT and e-Governance roll-outs in Chhattisgarh and Shivamogga, from bid stage through delivery and handover.
- Owned bid documentation, key-account management and logistics for high-value government programmes.
- Won defence clients for counter-surveillance systems, including a significant order from the Centre for High Energy Systems and Sciences (CHESS), a DRDO laboratory.
- Built OEM and system-integrator alliances that won competitive government and smart-city tenders.

HCL Infosystems Ltd, Bhubaneswar, India **Feb 2011 – Dec 2015**
Regional Sales Manager (Odisha, Chhattisgarh, Jharkhand, Andhra Pradesh, Telangana)

- Led the ICT security, surveillance and access-control business for government and corporate clients across five states.
- Negotiated and executed major government and corporate deals, including the NALCO and Apollo Hospitals projects.
- Developed channel partnerships that grew regional market share and strengthened long-term customer relationships.

Tulip Telecom Ltd, Hyderabad, India **May 2004 – Jan 2011**
Senior Marketing Manager, Government Vertical

- Delivered large-scale MPLS VPN and managed network services to state and central government bodies.
- Led the full cycle from opportunity identification and solution design to contract closure and service delivery.
- Established anchor government accounts that became long-term partnerships and a stable source of recurring revenue.
- Worked across technical, finance and operations teams so that commitments made at bid stage were delivered.
- Introduced the ISO 9001 QMS internal audit process and conducted annual audits from 2008 to 2011.

EARLIER CAREER

Godrej & Boyce Mfg. Co. Ltd, Hyderabad, India **Jun 1998 – Apr 2004**
Channel Consultant

- Expanded multifunction photocopier sales across Telangana and Rayalaseema through channel development and key-account selling, ranking among the nation's top performers.

Linkwell Electronics Ltd, Visakhapatnam, India **Mar 1992 – May 1998**
Territory Manager

- Began career in office automation, pioneering a market strategy for aqua-farming firms and delivering customised home and office automation solutions.

EDUCATION & CERTIFICATIONS

- MBA, Marketing Management, Andhra University (1989–1991)
- B.Com, Cost Accounting, Andhra University (1985–1988)
- Solar PV Plant Certified Pre-Sales, Steinbeis Holding GmbH, Germany (2013–2014)
- ISO 9001 QMS Internal Auditor training (2004, 2024). Internal audits conducted: Tulip Telecom (2008–11, ISO 9001:2008); 7S Technologies, independent engagement (2018–20); Windstream Energy (2023–25), both ISO 9001:2015
- Be10X Certified: AI tools and ChatGPT for presentations and data analysis (Mar 2025)
